- (1.) Community Sponsors are large local corporations and individual donors who wish to see improvements made to the 50 year old facility. Improvements include picnic tables, safety netting, shade trees, PA systems, scoreboards, travel team expenses, upgraded uniforms, etc. Your partnership is important to SAY and the use of your contribution will be a coordinated effort.
- (2.) Team / Field Sponsors are usually local businesses and restaurants who wish to sponsor a team. Team sponsors will have their name on the sleeve of their team, and the team will be known by the sponsor name throughout the season.

Our goal is to keep baseball and softball in our community because of its important role in developing Character, Camaraderie and Sportsmanship in our South Orlando Community. Your contributions help us achieve this important goal. Thank You.
